Dear Mike,

I just watched your incredible performance on the 7:00 pm show - the farewell show. It was truly incredible. I have been watching and enjoying comedy and comedians for 30 years, in all kinds of situations. You are the best - THE BEST. I have ever seen. The way you incorporate character actors into your routines - its fantastic.

It was ~~and~~ honour,

a privilege and an education, to see you on stage. Thank you for a fantastic experience that I will talk about and remember with great affection for the rest of my days. - and I haven't even seen your late night set yet!! Can't wait ~~to~~ bring Cherylanne to see you when you come to Australia. I'll watch your FACEBOOK for dates and venues. Cheers Mate -
